

Safe payments on the Internet

Given the increase in the number of payments via Internet, we are offering a credit card safe payment service free of charge.

You can use it in the virtual stores that display the "Verified by Visa" sign. You will be asked for your credit card number, the expiry date and an additional four-digits code.

You will find this four-digits code in a personal key card which will be given to you when you sign up for our BancSabadell d'Andorra Online banking service, completely free of charge.

If you haven't yet sign up for our BancSabadell d'Andorra Online banking service,  On-line, please contact your advisor or visit any of our branches.
